Dear Friend,

Today we're writing to ask for your support for our friend Attica Scott, Democratic candidate for the State House in District 41. We need new leadership in Frankfort, and Attica is the right person for the job.

On the Louisville Metro Council, Attica led the way to "ban the box," raise the minimum wage and increase the availability of affordable housing. Attica doesn't just stand on the sidelines and shout - she gets to work, and she gets results. We know we can count on Attica to bring common sense, bold leadership and progressive ideas to the state legislature.

For too many years, someone who doesn't share our values has represented this district. The current representative is out of touch with the voters of the district on issues like choice, privacy and treating all people fairly regardless of gender or sexual orientation. At a recent candidates' forum, he shocked the audience with his declaration that he no longer caucuses with the Democrats. He even assisted County Clerk Kim Davis with her legal defense by introducing her to Liberty Counsel – the legal arm of Jerry Falwell's Liberty University.

Enough is enough.

It's time we put a real Democrat in this seat. One who can work with the leadership to make sure all of our voices are heard. Like us, Attica will be a champion for equal rights, stronger schools and more financial opportunity for our children and grandchildren.

On Tuesday, May 17, we ask for your vote for Attica Scott in the Democratic Primary for State House District 41. We encourage you to learn more about Attica by visiting her website at www.atticascott4ky.com, or you can call her at (502) 225-7592.

Warmly,

Former Kentucky State House Representative, District 42
